

Bags to be stored in the cubby holes at the front of the Library.

Students are allowed to use both upstairs and downstairs areas for working or doing home learning (laptops allowed).

You must sign in and out of the library after the school day and say hello politely to the staff.

Computers are not allowed for YouTube or playing games and phones should not be out.

LIBRARY EXPECTATIONS

ECA

If you don't have an ECA you should go home at 2.30 (not later). If you travel on a school bus you should not wait for an older sibling without a good reason. If you have a 3:30 ECA, you need to go to "Me Time" in the Youth Club.

Be respectful that the library is a learning zone after school and older students are studying for exams.

If you are in the library you can read quietly, talk quietly with friends, use the library games or do your home learning.

If you have any special situation where you need to be in the library please see Mr. M. for permission to use the space.

Please remember that there is no food or drink (water bottles are ok) allowed in the Library at any time.
