For all the Pre-K builders I've known through the years -
Your block structures are amazing!

For Freddy & Bless
Keep building your dreams.
I love you

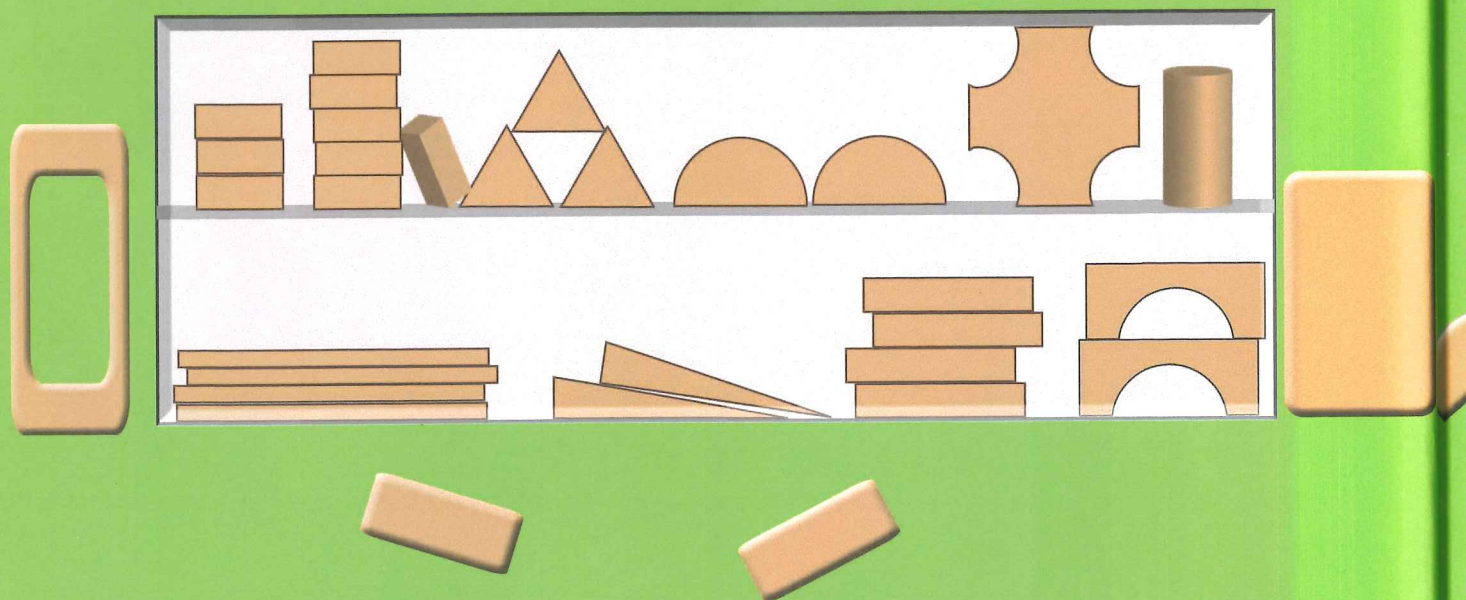

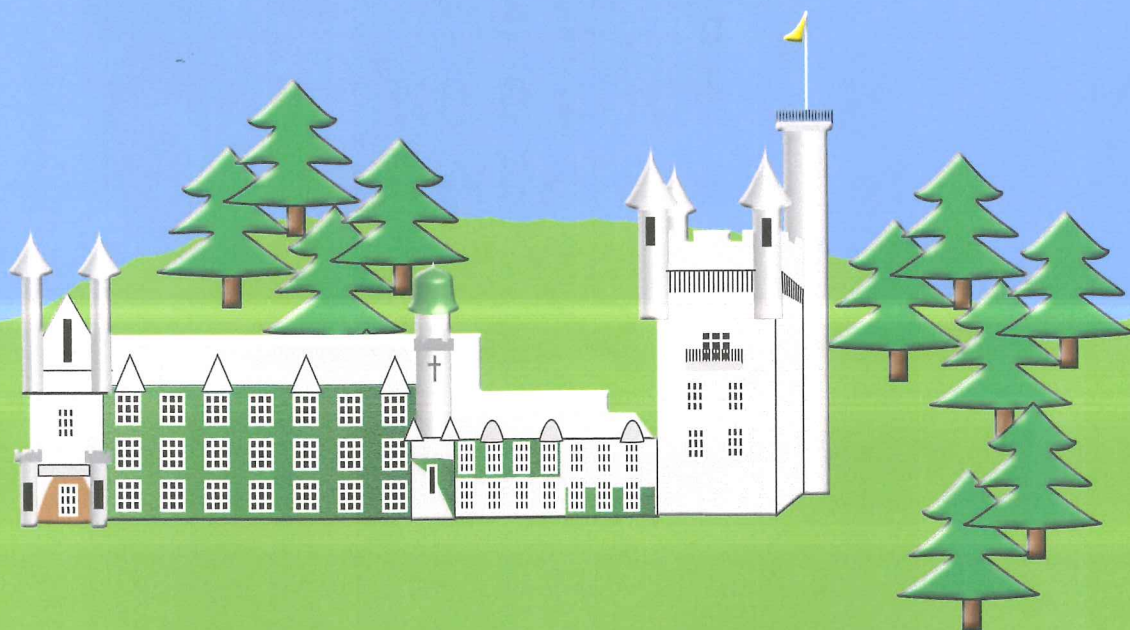

It's time to
make a choice,
of where
we want to play.

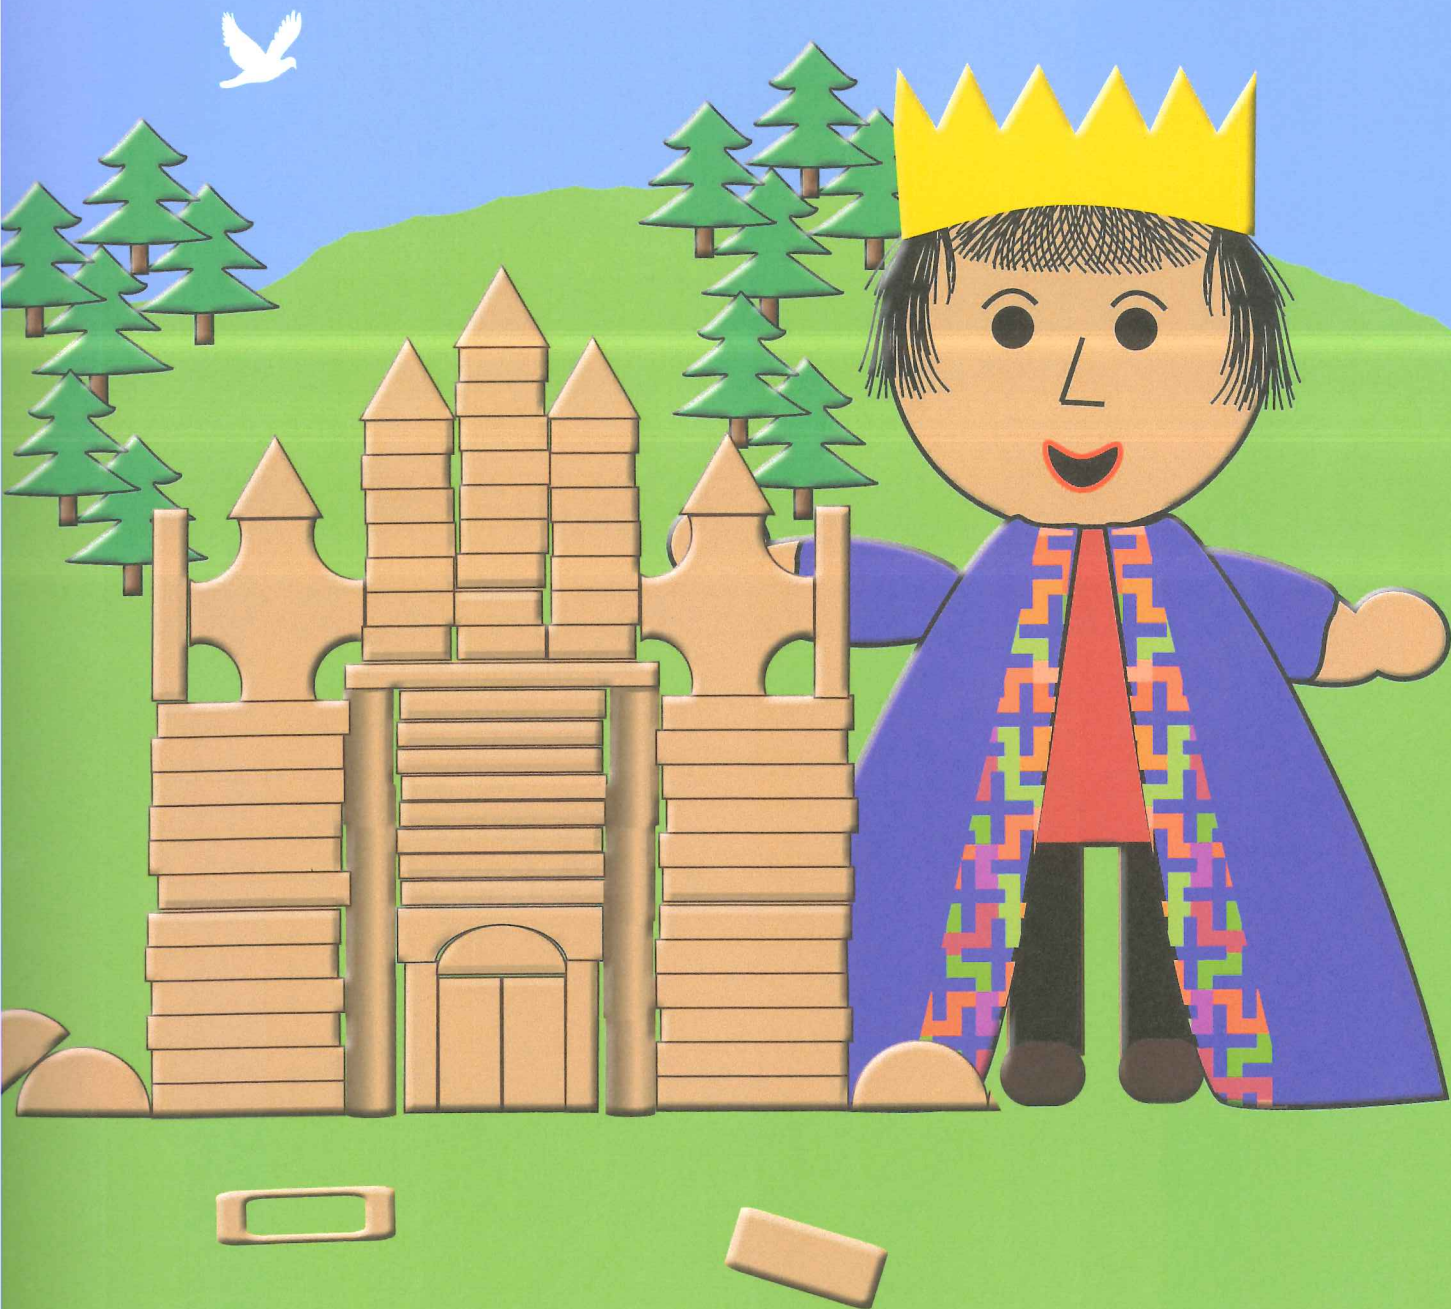

I choose the block area,
almost every day.

When I build with blocks,
I can be anything.

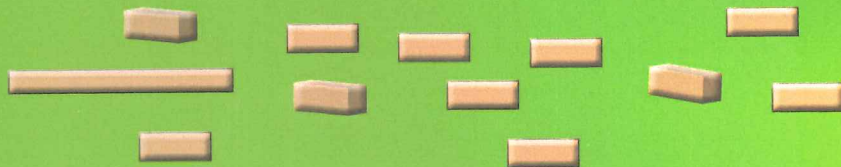

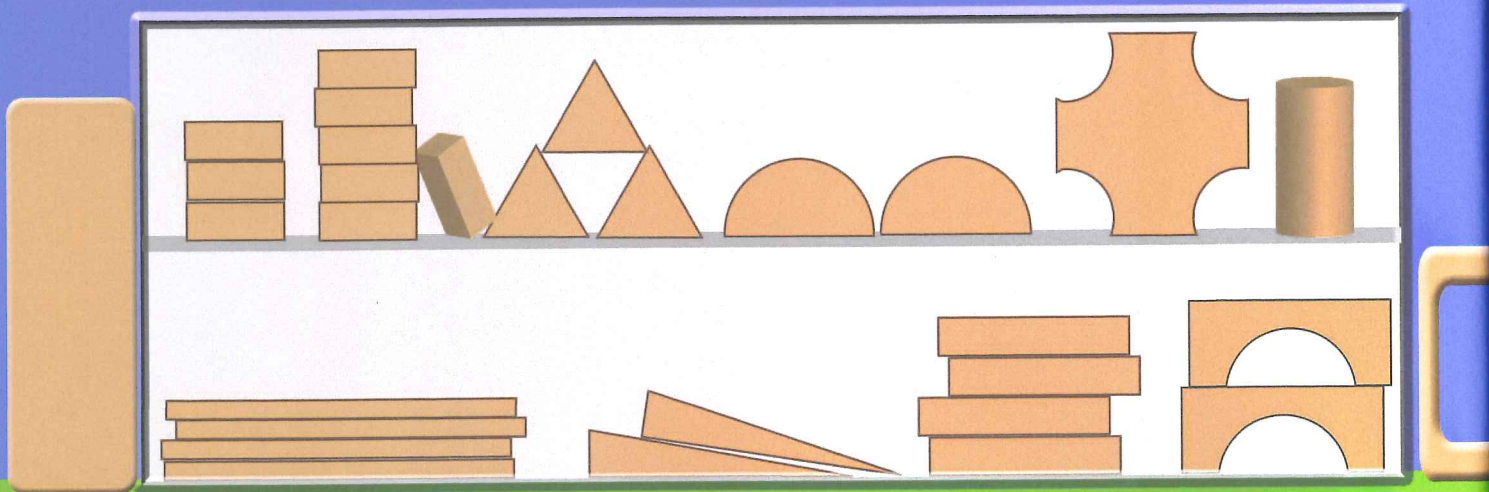

I can build a royal castle
where I am the King.

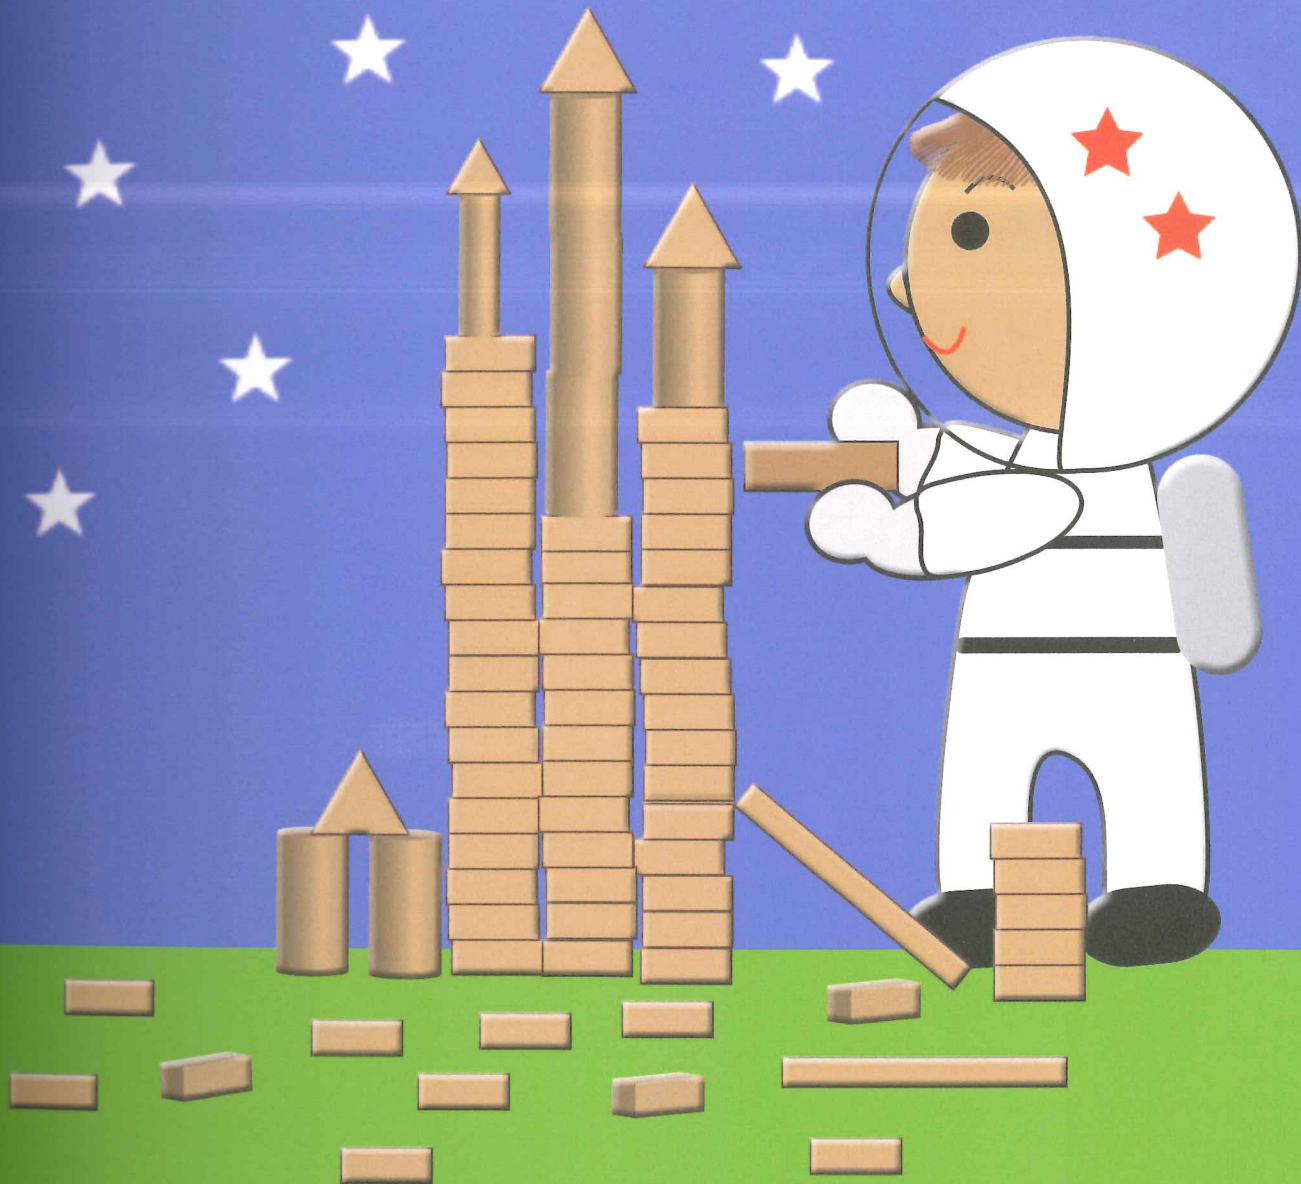

I can zoom in a rocket
to outer space.

Yes, the block area
is my favorite place.

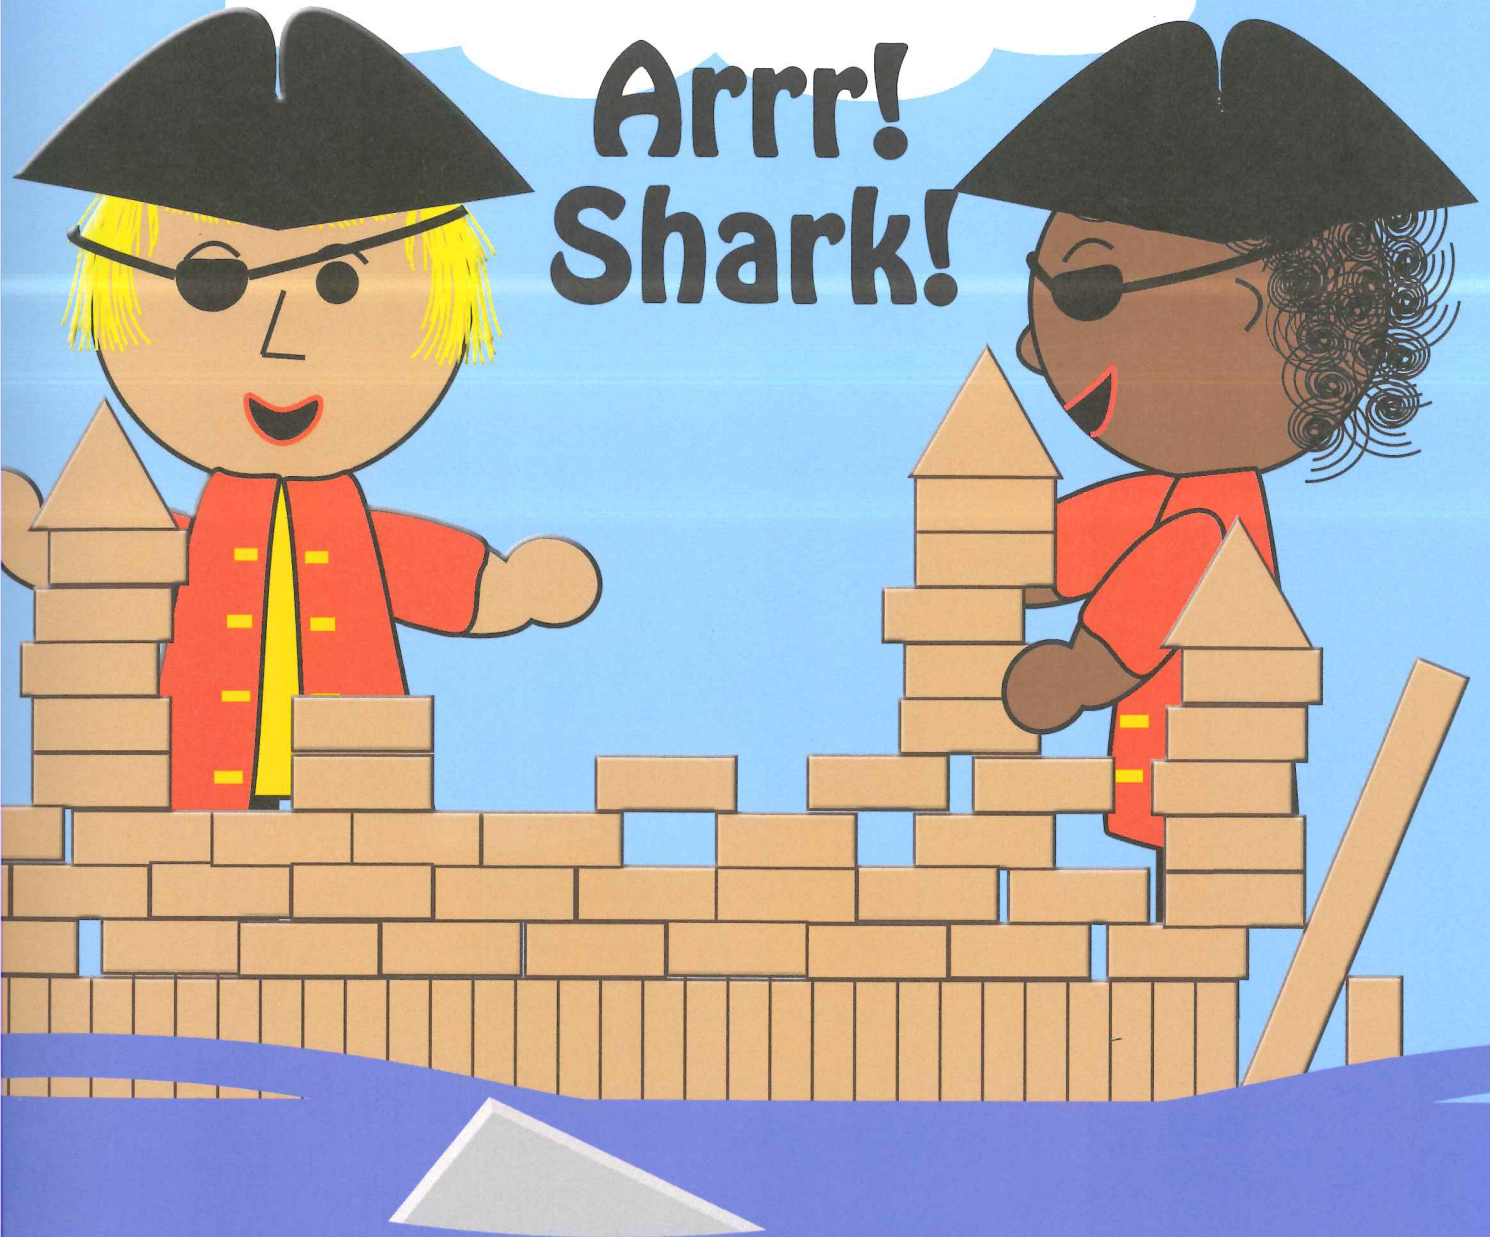

I can sail around the world,
on a Pirate ship.

Together we built it
for our trip!

**Arrr!
Shark!**

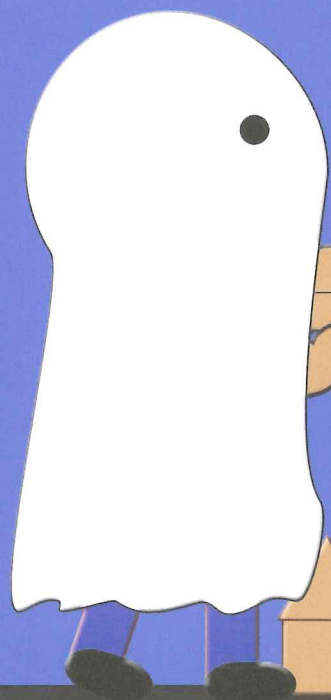

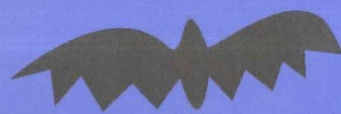

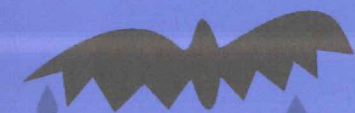

When it's storming outside,
what I like to do the most,

is build a scary haunted house,
and pretend that I'm a ghost!

Booooo!

I am a race car driver.
I can go very fast.

I have a race car
built to last!

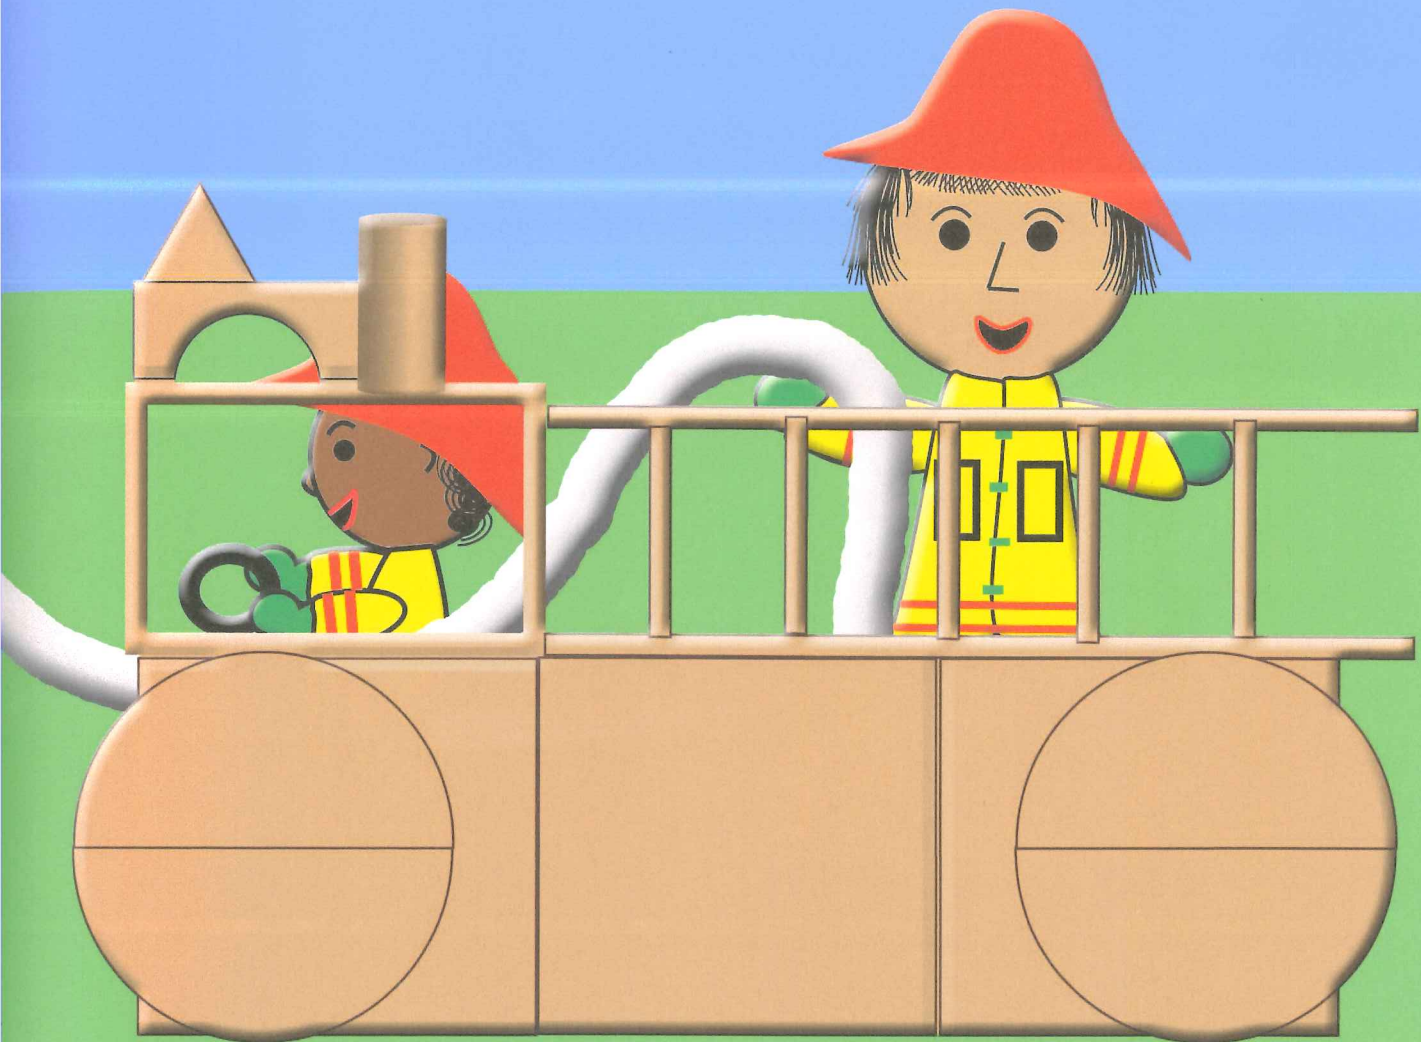

zoom!

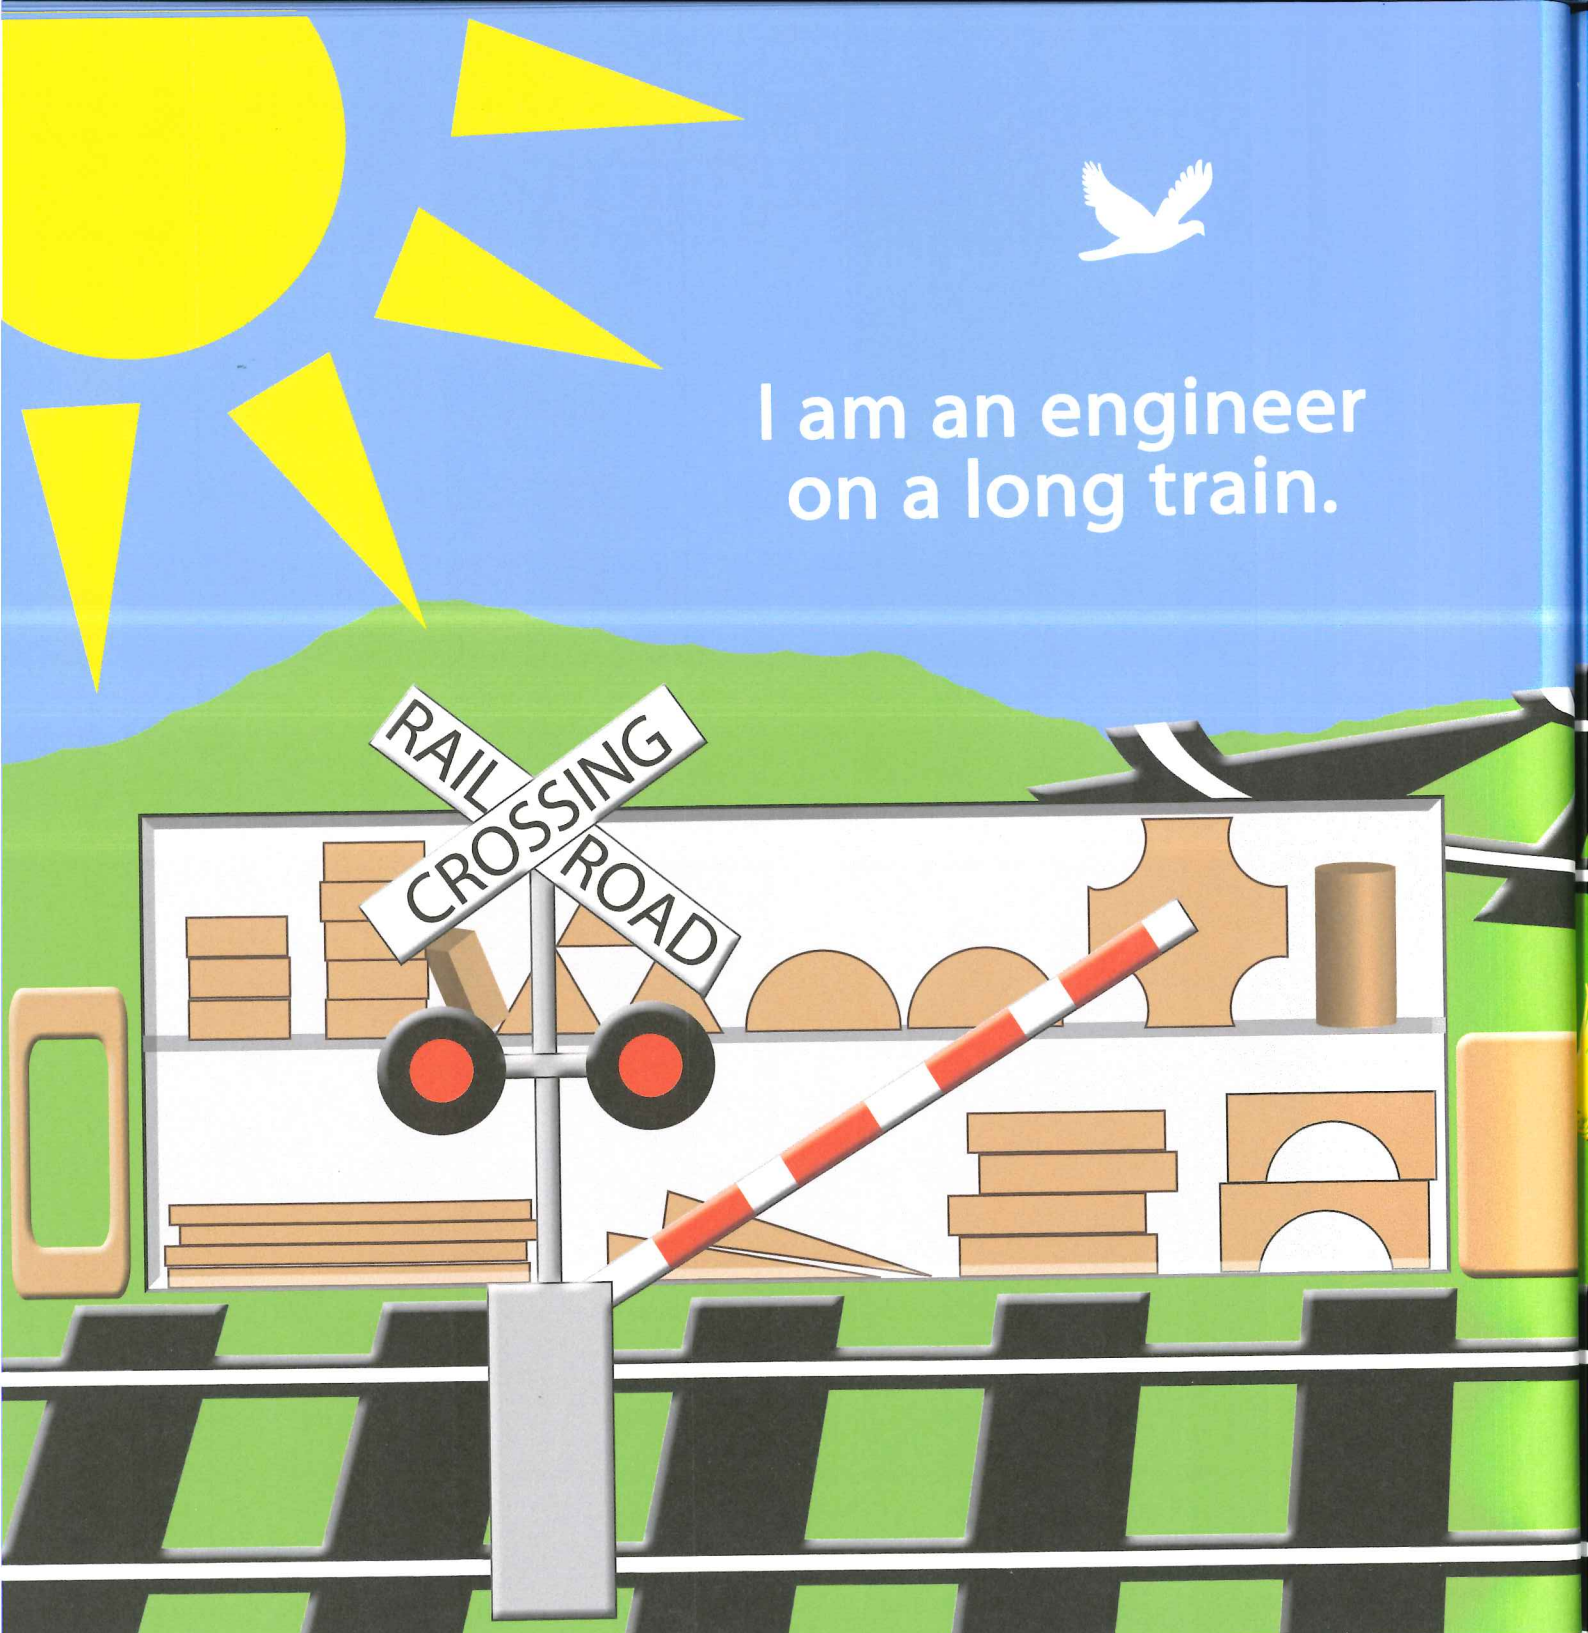

I am a firefighter,
I put out fires.

I build a fire truck
with a ladder and big tires.

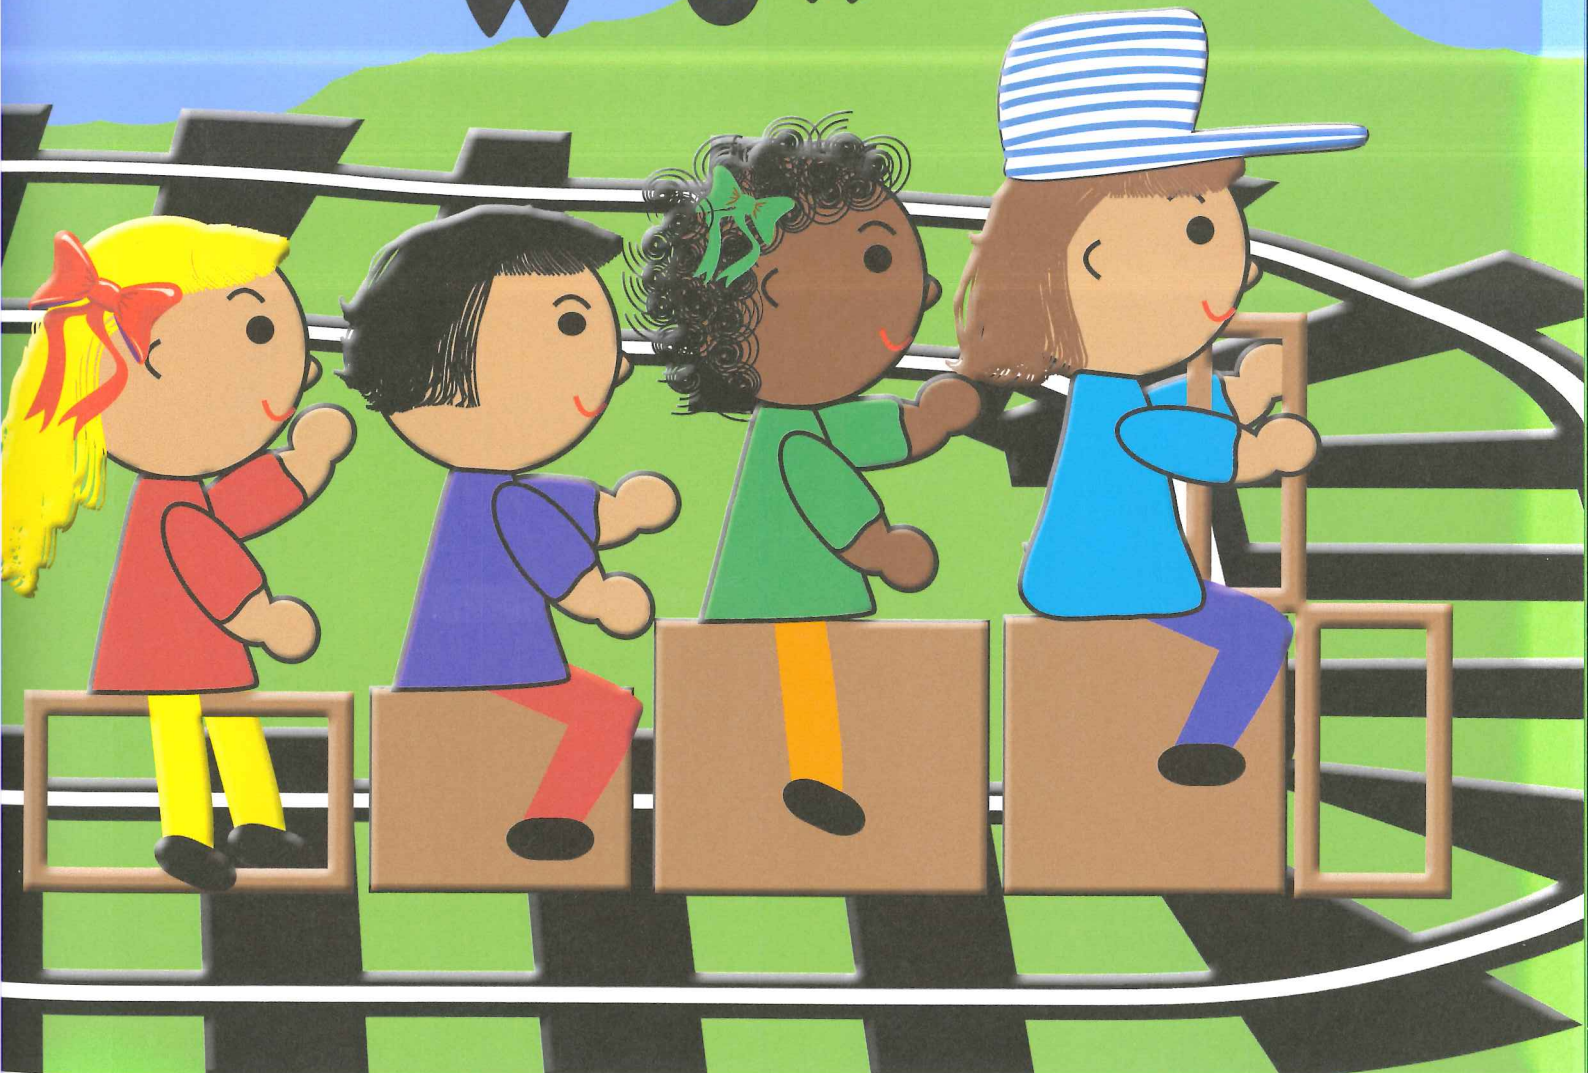

I am an engineer
on a long train.

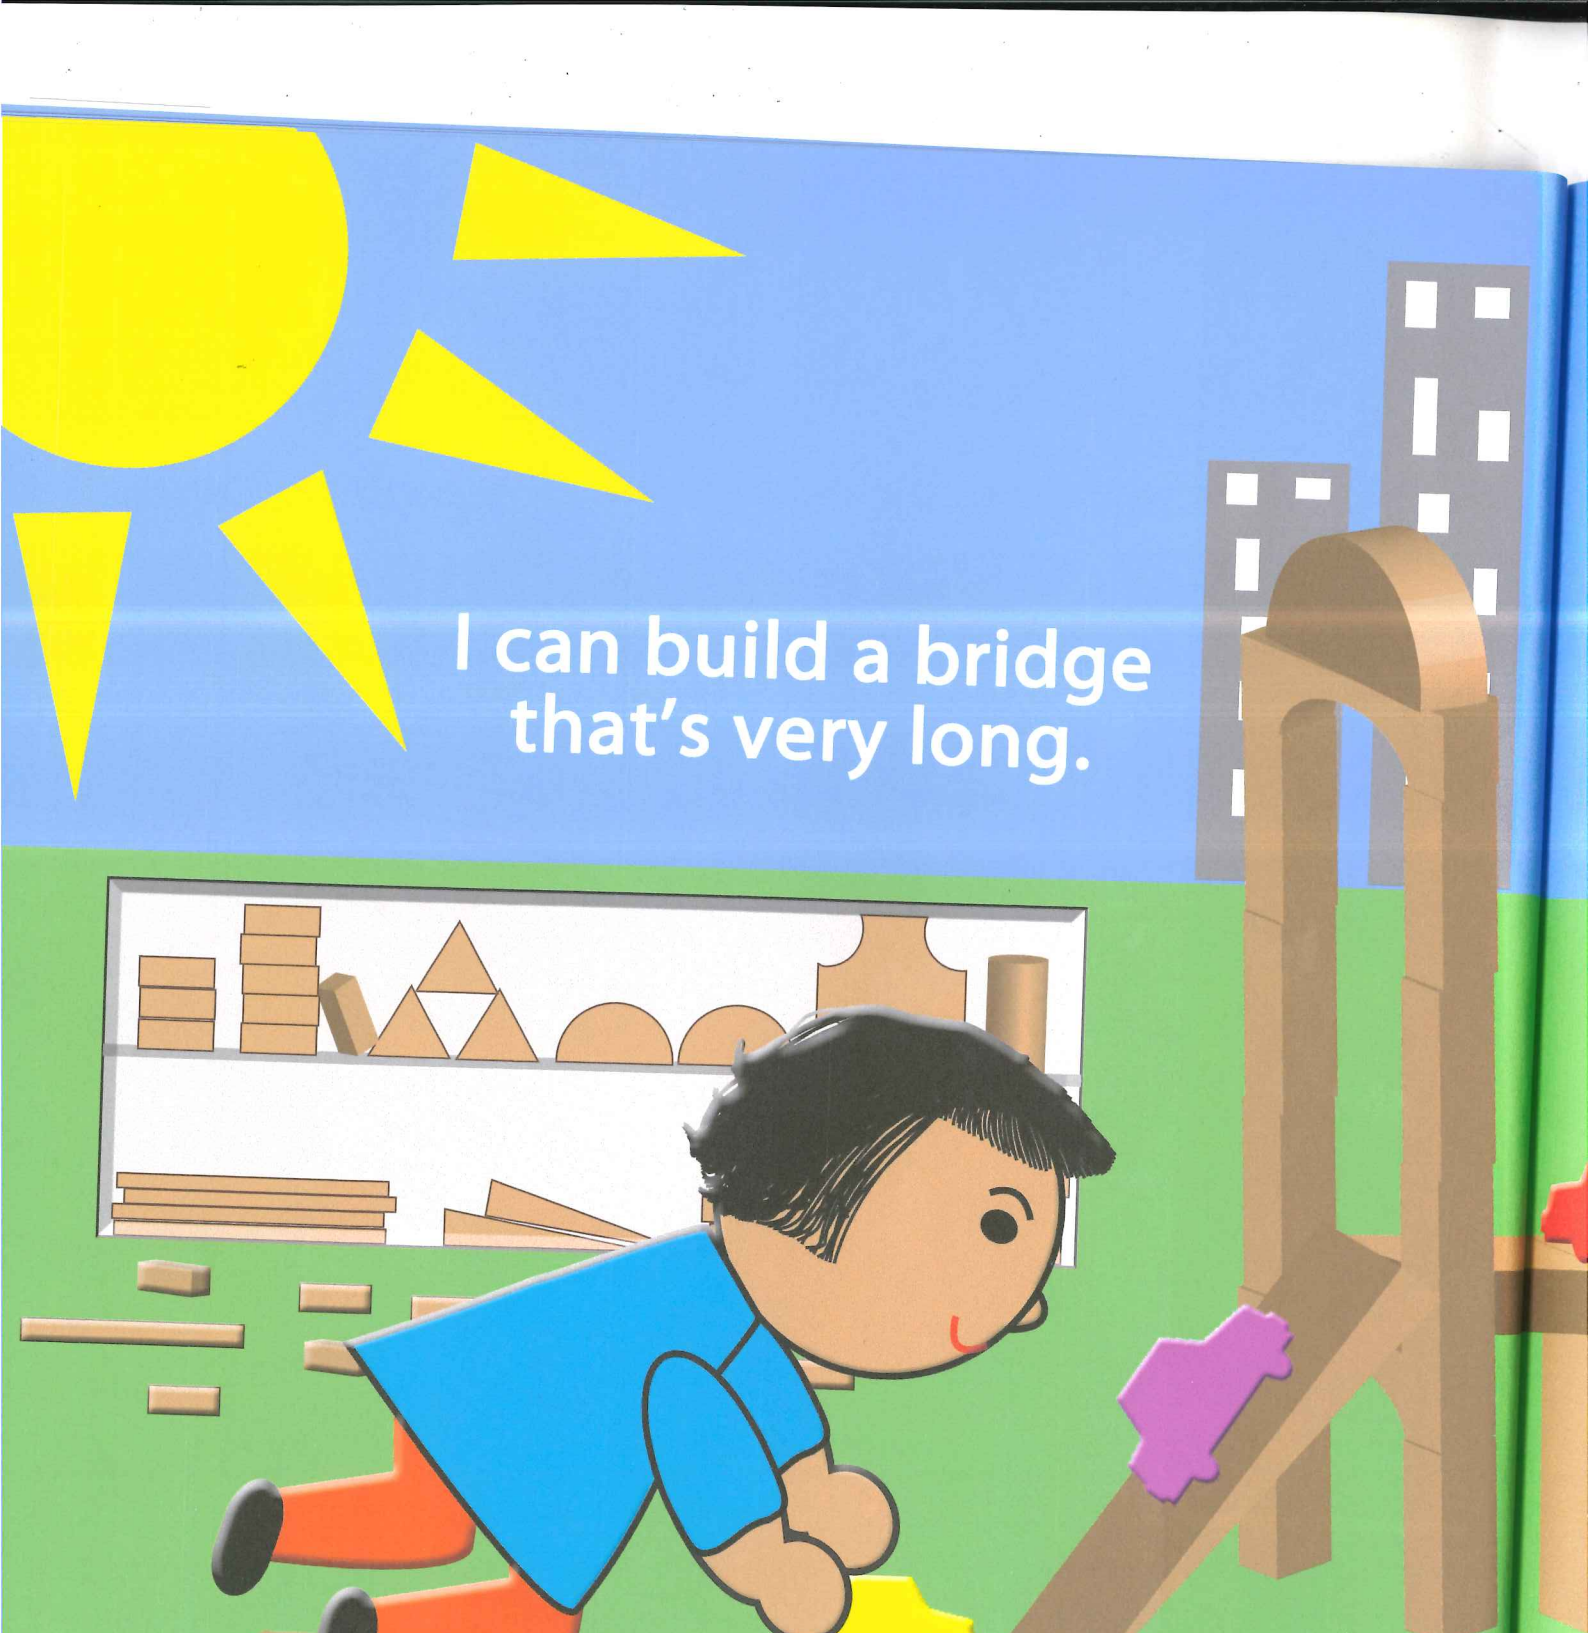

We ride through the country
and back again.

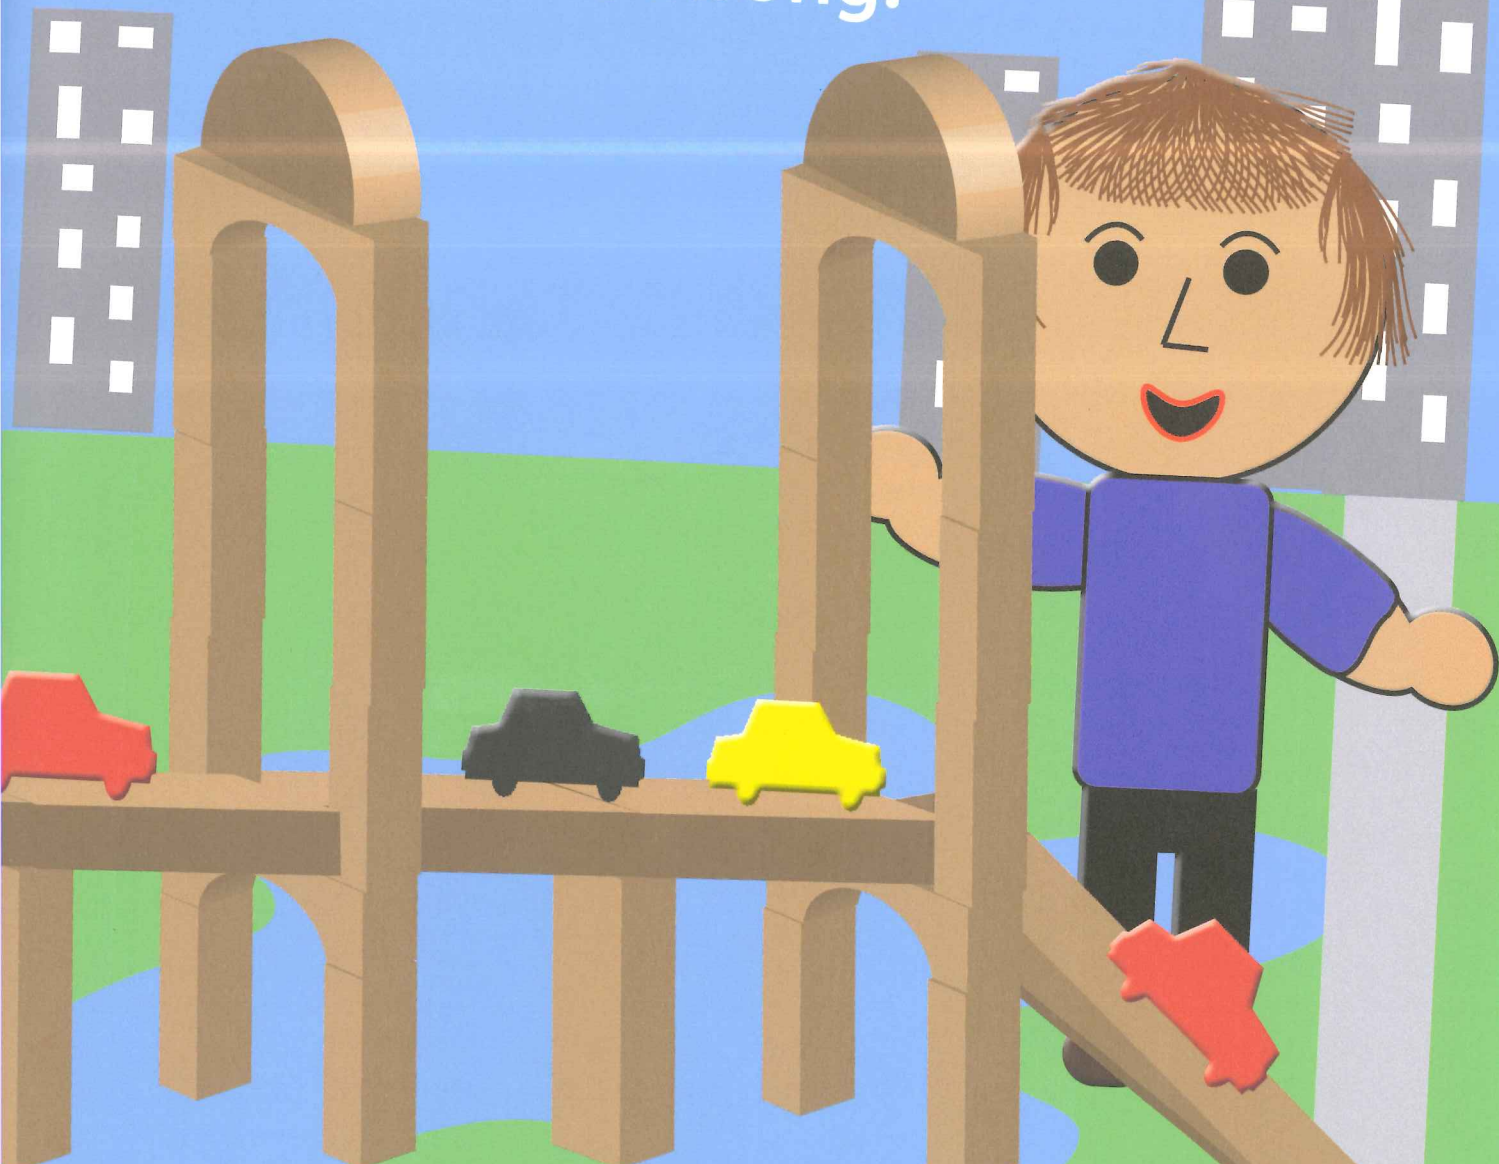

Woo woo!

I can build a bridge
that's very long.

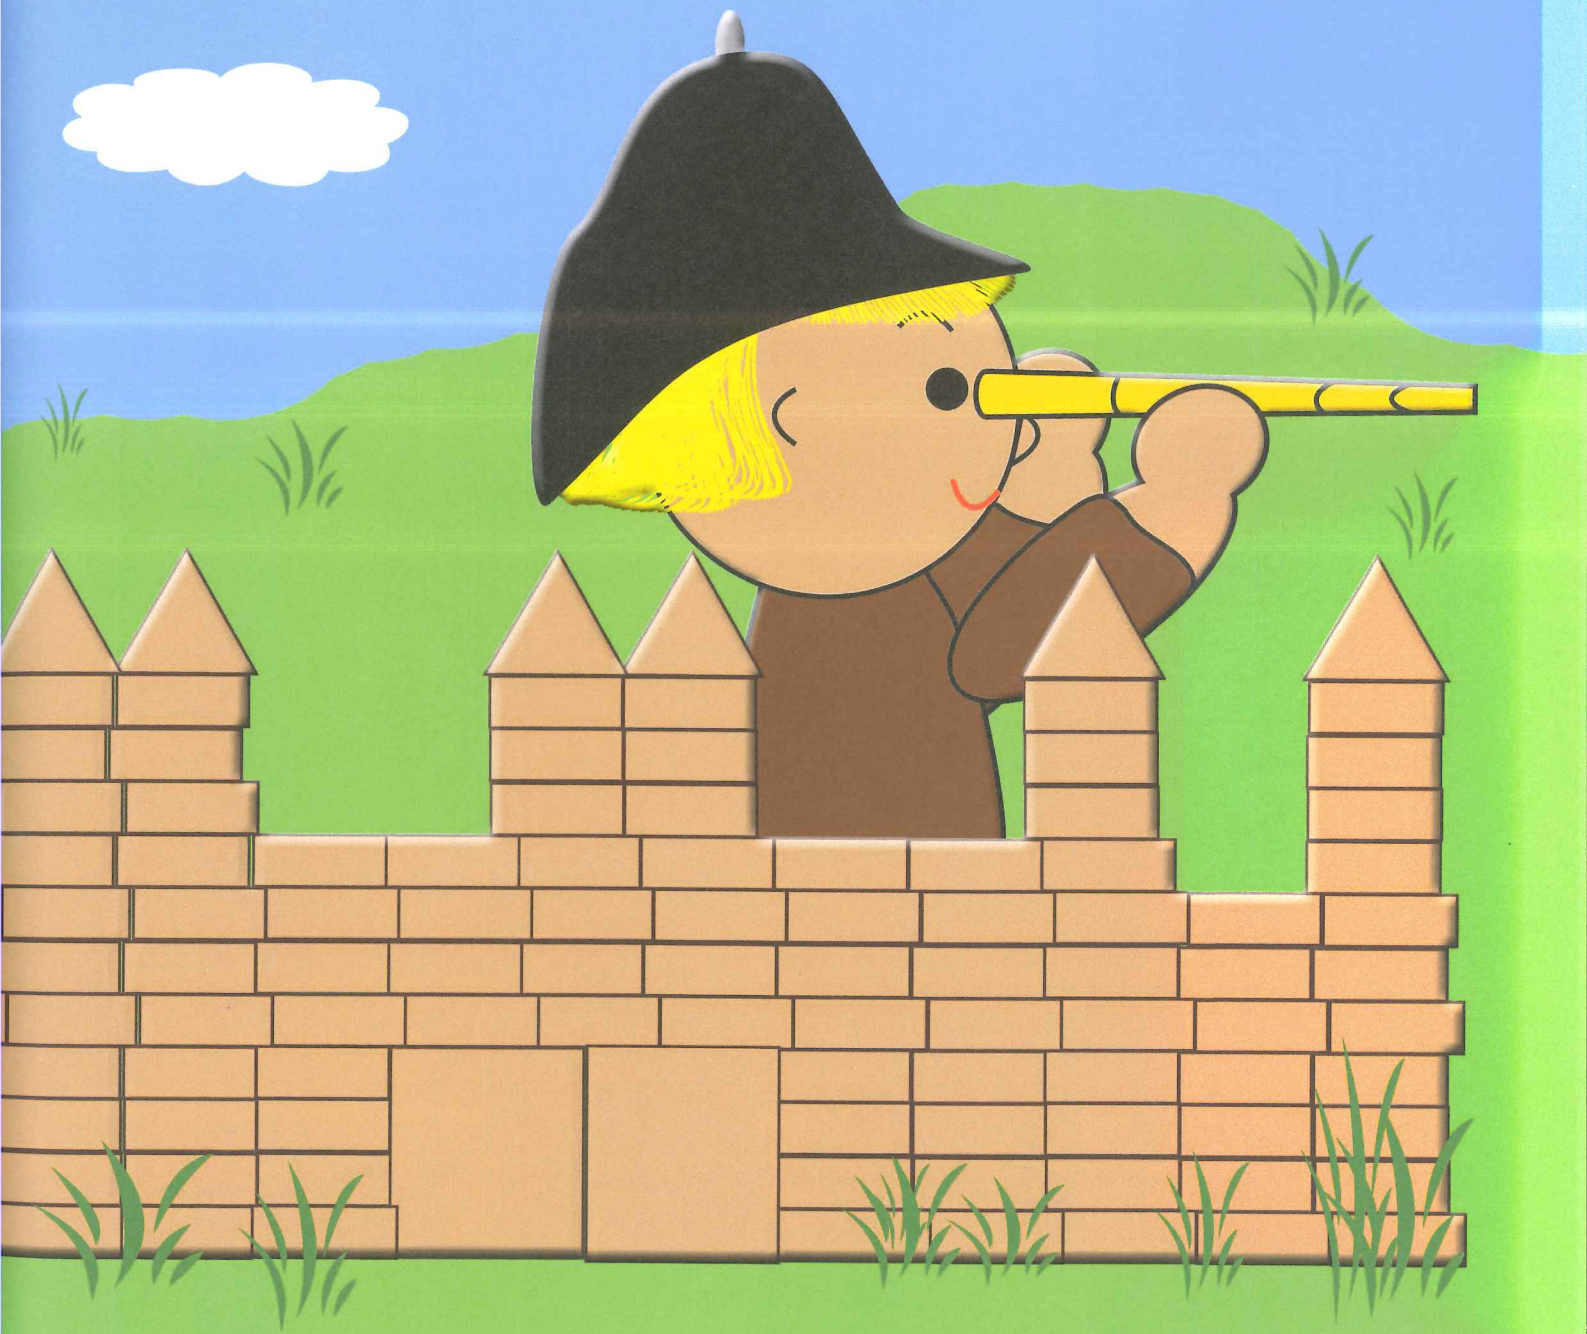

It holds many cars
because it's strong.

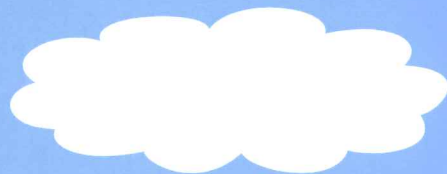

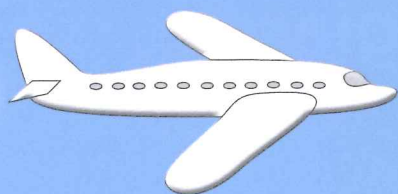

We must protect our land,
from enemies far and near.

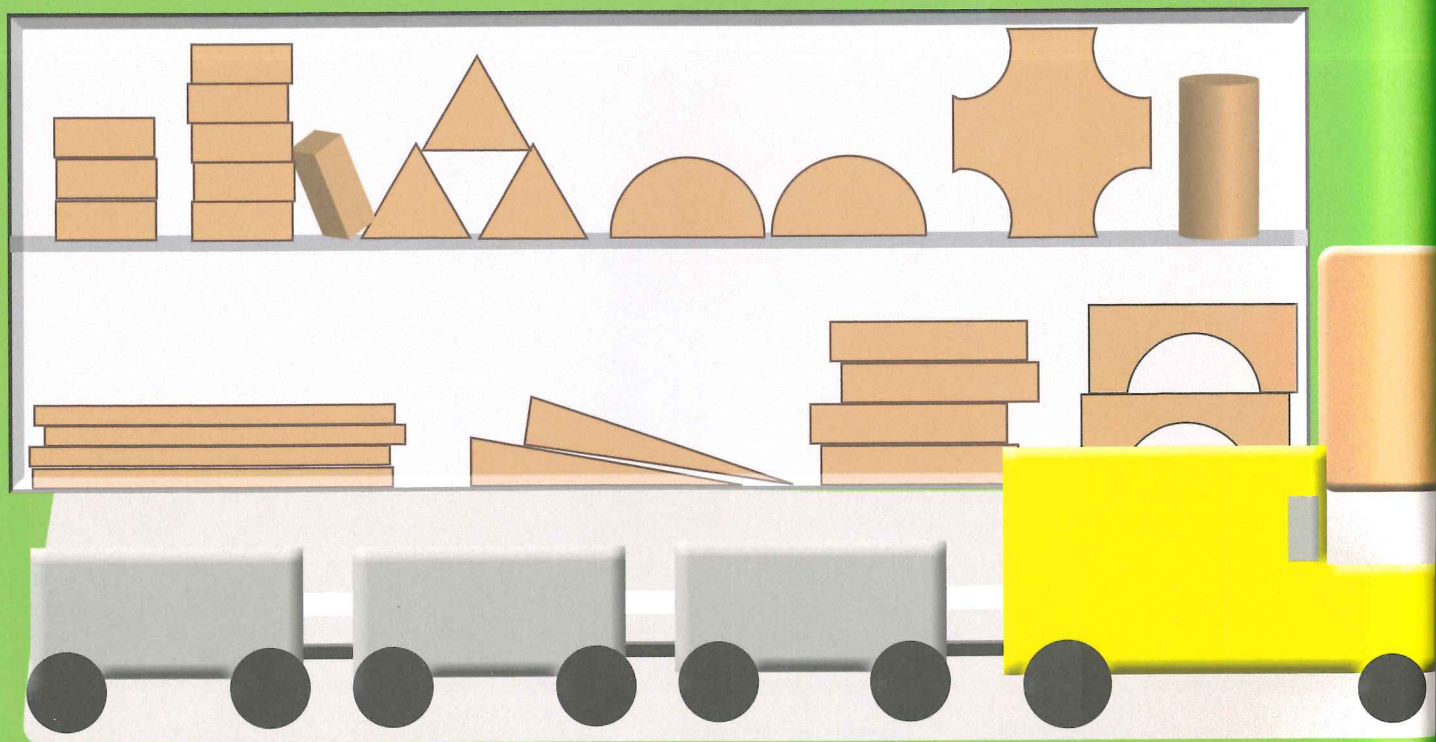

We build a giant fort,
to make sure the coast is clear.

I love to be a pilot,
and take my plane out for a flight.

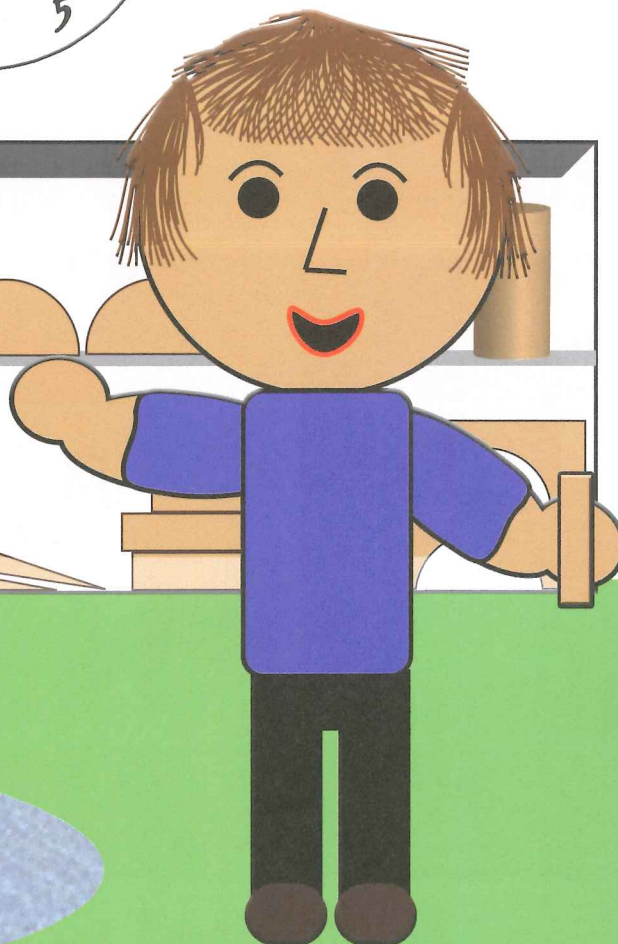

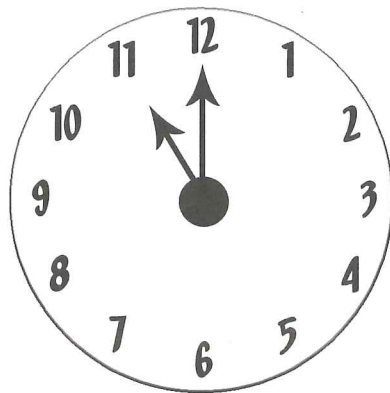

I build a sprawling airport,
to land it for the night.

It's clean up
time again,
we put the
blocks away.

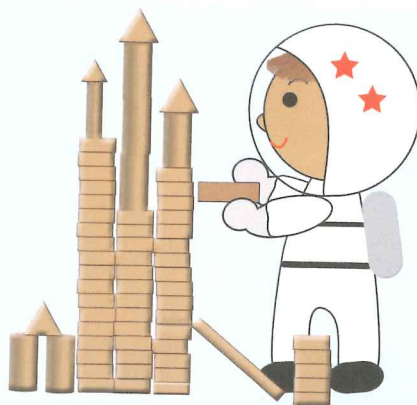

We stack them neatly on the shelves,
to build another day!
