

# Moving to a New Class

FS1 to FS2

# Now, you are in FS1

What new things did you learn whilst you were in FS1?

Your class has lots of nice things to play with and you have got to know all of the adults and friends in your class very well.

# Next, you will move from FS1 to FS2

All children move to a different class every year.

Have you had to move  
somewhere new to learn  
before?

We move because as we get older we need to learn new things. Our new classroom and different teachers will help us to do this.

# Feelings about changes

I wonder how you are feeling about moving to your new class?

**excited**

**scared**

**proud**

**sad**

**worried**

**happy**

**disappointed**

It is ok to feel lots of different things. Tell someone how you are feeling.

# Feeling good about your new class

I wonder what exciting new things you will get to do and learn in FS2?

We know that it might take a little time to get used to your new class, but we are sure that you will soon be having lots of fun! The adults who look after you at home and all the teachers at school will be there to help you feel happy at school.

# Well done FS1

We are so proud of all of the amazing things that you have achieved in our class in FS1.

Have a wonderful time in FS2 - we can't wait to hear about all the amazing things that you achieve and do!
