Dear all in Patana Foundation Stage

On behalf of Lutheran Christian Foundation and Home of Praise I want to say thank you very much for your Christmas donations. Our nursery is very thankful for all the useful items.

For many months we have not been able to open our nursery because of Covid-19. Our children miss their nursery very much and look forward to the day when the nursery is allowed to open again.

I wish you all a Happy New Year, and I hope that we this year will be able to visit you in Patana foundation stage again.

THANK YOU!

Best regards
