

## Healthy Choices Migration Sponsorship

As part of our Term 2 focus on Migration and our Term 3 topic of Healthy Choices, in order to raise valuable funds for the Year 6 charity, A21, Year 6 classes will be taking part in a sponsored event during the week of 30th May.

Throughout this week, classes will have time to contribute steps towards a combined goal of migrating as far as they can over the course of 5 days.

To support A21, we are asking students to gain sponsorship from family and friends.

We have 3 target destinations we hope to reach as a class:

**Ayutthaya** - 88 km

**Hua Hin** - 191 km

**Chiang Mai** - 689 km

On the attached form, we ask people to sponsor the Year 6 student with an amount to be collected depending on which destination we manage to reach as a class.

Thank you for supporting A21 and the Year 6 students!

Kind regards,

The Year 6 Team

## Healthy Choices Migration Sponsorship

Student Name:.....Class:.....

To raise funds for the Year 6 charity, A21, we are asking for your support in sponsoring a Year 6 Migration where we will try to reach one of the following destinations over one week. Our total journey will be the combined distance achieved by each class.

We have 3 target destinations we hope to reach:

**Ayutthaya** - 88 km

**Hua Hin** - 191 km

**Chiang Mai** - 689 km

Name of Sponsor	Amount sponsored per lap	OR One time donation	Total laps <i>(students will complete this section after the event)</i>	Total Collected

Thank you for sponsoring us and helping Bangkok Patana to raise funds for A21.

Final distances will be calculated by Monday 6th June. Please collect in all sponsorship money by Friday 10th June and return to the class teacher.
