

ASIA CONFERENCE NEWS

Issue 3

#aseconfasia2023

We have several copies of The Carbon Almanac to GIVE AWAY to our **Lucky Draw Prize** winners.

Winners must be present at the time to claim their prize.

"Excellence in Science Learning for All"

The Teacher Strand Schedule is Shaping Up!

We now have **115 delegates registered**. Here is a sneak peek at some of the awesome session titles we have lined up for the **Teacher Strand**:

- Environmental Education in the Urban Environment
- Using Liquid Nitrogen to Teach Physics
- IB Chemistry Investigations
- Interactive Labs for Sports Exercise Health Science
- Exploring Neuroscience Through Brain Dissection
- Using Microscopes in the Science Classroom
- Science Fieldwork
- BIG Data
- Modelling Across the Curriculum
- Developing Oracy in Science
- AND MORE!!!

Thank you Exhibitors

Reps from these International and Local STEM Equipment, Software and Tech Providers will be at the Conference for you to interact with and view some of their amazing products.

MARCH 17TH, 2023
