Wear your Patana tag when on campus

This means that we consider you a safe person to be on campus.

Use the right toilets

We have toilets for students and toilets for adults.

If you need to help your child, please take them to a toilet for adults.

You may not enter a student toilet or changing room.

Use good judgement when taking and posting images for children at school

We cannot be the camera police.

Some parents will not want you to take or post pictures of their child.

At some events, parents are invited to take photographs (e.g. sports days, performances).

Parent Safeguarding Responsibilities

If you see or hear something that concerns you...

Share with the class teacher or Leader of Learning and Welfare.

Do not try to solve the problem by talking with the children concerned.

Do not post your concerns or identify students on a Line Group or any other social media.

We take student and family confidentiality very seriously and require all parents to do the same.
