

Mental Math World Cup 2024

Are you passionate about Maths and thrilled by the world of Mental Arithmetic? Your time has come to shine on the global stage through the Online Mental Math World Cup 2024!

Whether you're a beginner or a seasoned mental Maths pro, this competition serves as a unique opportunity to test your skills. Through consistent practice and active participation in the events, you'll have the chance to elevate your Mental Arithmetic Skills, pushing yourself to new heights each year.

From the organisers: "Our mission is to craft an immersive and interactive environment, welcoming Maths enthusiasts of all ages and proficiency levels. Join us to not only sharpen your arithmetic abilities but also foster a deepened fascination for Mental Maths"

If you are looking for a fun and competitive way to practice your Maths over the summer holidays this could be for you! Please note this is not a school competition, parents will need to register students. However, we would love you to share your successes with the school and your teachers!

Email Ms Tanya tape@patana.ac.th if you have any further questions.

- For ages 6 and above
- Information, practice materials and registration information is here <https://livemcl.com/new-registration/>
