

## Migration Sponsorship

**NB - Due to the hot weather and lack of opportunity to run/walk at school, we have given the students an additional opportunity to run / walk over the Songkran break. They can collect sponsorship per KM or for a fixed amount.**

As part of our Term 2 focus on Migration, and in order to raise valuable funds for the Year 6 charity, A21, Year 6 classes will be taking part in a sponsored event during the week beginning March 18th.

Throughout this week, classes will have time to contribute laps towards a goal of migrating as far as they can over the course of 5 days.

To support A21, we are asking students to gain sponsorship from family and friends.

On the attached form, we ask people to sponsor the Year 6 student with an amount to be collected. You can sponsor an amount per lap (250m) or with a one off donation.

Thank you for supporting A21 and the Year 6 students!

Kind regards,

The Year 6 Team

## Migration Sponsorship

Student Name:.....Class:.....

To raise funds for the Year 6 charity, A21, we are asking for your support in sponsoring the Year 6 students.

Name of Sponsor	Amount sponsored per lap	OR One time donation	Total Collected

Thank you for sponsoring us and helping Bangkok Patana to raise funds for A21.

Final distances will be calculated by Friday 22nd March. Please collect in all sponsorship money by Monday 1st April and return to the class teacher.

**NB this has been extended to Monday 22nd April**
