Kliptown Youth Program - Parent Workshop

Dear Parents,

On Monday October 7th and Tuesday October 8th we are pleased to welcome the Kliptown Youth Program back to Bangkok Patana School.

[KYP](#) is a community based educational organisation that provides opportunities to the people from often disadvantaged areas of Soweto in South Africa. Particularly well known for their wonderful work in the Arts, it is that aspect that they will be showcasing at Patana featuring gumboot dancing, singing and drumming.

During their visit we are also honoured to host [Thulani Madondo](#), founder of the program, CNN hero and award-winning humanitarian. Who will provide more information, context and background to this wonderful program.

As part of their visit they will offer a parent workshop on Monday October 7th 8:00-9:00 in the Primary Hall. We believe this will be a truly engaging and informative presentation - a wonderful opportunity for our community. If you would like to attend, please sign up on this [google form](#).

I look forward to seeing you there.

Best wishes,

Charlie McLean
Leader of Primary Creative Arts
