29th November 2024

Meeting: Developing a Child's Fundamental Motor Skills. A practical lesson.

Date & Time: Tuesday 10th December, 2024, 8:00am

Venue: Sports Hall

Dear Parents,

The Primary PE Department warmly invites you to attend a practical PE lesson designed to showcase how we develop your child's fundamental motor skills through our primary PE curriculum.

This 45-minute session will be an active session that will involve activities such as running, jumping, and balancing. It will also provide practical ideas to support your child's learning at home. To make the most of this experience, we kindly ask that you wear comfortable clothing and appropriate footwear and join in the activities to gain firsthand insight into what your child experiences during their PE lessons.

Please note that, for health and safety reasons, places are limited. If responses exceed our capacity, we will notify you and arrange an additional session.

Please complete the [Response Form](#) below by Friday December 6th, to indicate your attendance and submit any questions in advance.

With kind regards,

Jayne Jauncey
Head of Primary PE
