12<sup>th</sup> May 2025

Dear Year 4 Parents,

I am writing to inform you about a process we are trialling in Year 4 using a new feature of technology to enhance and aid the assessment of writing.

As you may know, in the primary school we use a writing assessment program called No More Marking, which provides us with a robust method of moderating pupils' writing. To improve the efficiency of the assessments, we will be trialling their new AI based method to speed up the assessment and moderation process. A scanned image (pdf) of each pupil's writing will be assessed on writing style through an **anonymised** method. The data is deleted within 30 days of receipt or generation.

Kindly note that the data is not used to train AI models, and pupils' handwriting is not considered as personal information from a PDPA perspective. For further information please don't hesitate to contact me. Additionally, our data protection officer can be contacted at [dpo@patana.ac.th](mailto:dpo@patana.ac.th)

Best wishes,

**Dominique Chandler**

Year 4 Leader - Curriculum and Assessment
