Student End of Year Reports available to download

Dear Parents,

I am delighted to inform you that your child's End-of-Year Report will be available for you to view on Firefly from 15:00 today, Tuesday 24th June.

Please find instructions on how to access the report at the end of this letter.

A report is one way that we share your child's learning. It is only one part of our home - school partnership. Regular conversation and communication has greater power. Remember when reading the reports there is always more to a child's story at school beyond a grade. Learning is liminal and not linear.

Should you have any questions on the report format, please do not hesitate to contact me at dawa@patana.ac.th, or your Class Teacher for specific questions relating to your child.

May I wish you a restful break with your family over the holidays.

Yours sincerely,

David Walton
Assistant Principal, Assessment and Reporting
