27th June 2025

As we come to the last day of the school year, I want to thank you for all the ways you have supported our community. Whether through class events, performances, workshops, assemblies, learning showcases or simply those everyday moments of connection, your partnership has helped shape a joyful and purposeful year.

Over the past three terms, we have seen our students grow in knowledge, character and confidence. From those first careful steps into Nursery to the proud final bows of our Year 6 students in *Aladdin*, this has been a year full of milestones and memories.

Our provision has continued to develop, shaped by curiosity, creativity and care. From science investigations and poetry performances to coding challenges, action and service days, musical showcases and sporting events, students have had so many opportunities to learn, explore and succeed. Alongside this, we continue to place equal value on well-being and belonging. Our core principles of Safe, Curious and Kind are part of everyday life in classrooms and playgrounds, and we remain focused on making sure every child feels seen, valued and supported.

To all the students and families who are moving on, thank you. Whether you have been with us for one year or many, your presence has shaped the story of our school. You leave behind friendships, memories and lasting contributions. We wish you every happiness in the journey ahead and hope that a part of Patana stays with you, wherever you go.

And to everyone returning, we look forward to building on everything that has been achieved this year. The foundations are strong, the direction is clear and the sense of wonder and possibility is real. If you have not yet completed our end-of-year feedback form, please do so [here](#), as your reflections mean a lot to us.

Wishing you a safe, happy and restful summer.

Warm regards,

Sarah McCormack
Principal, Primary School
