

Foundation Stage Digital Code of Conduct

A WORLD OF **OPPORTUNITY**

We are always:

Safe, Curious and Kind!

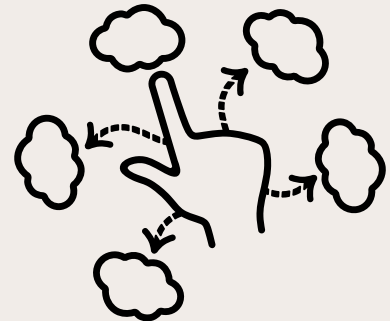

Safe

- I always use devices with an adult.
- I take care of devices.

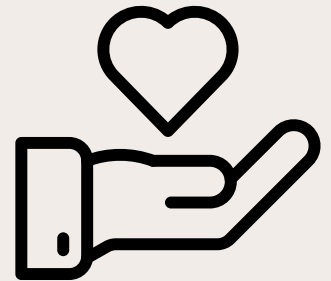

Curious

- I play in many different ways.
- I learn online using school sites only.

Kind

- I can share and take turns.
- I ask before I use a camera.

Always tell a trusted adult!

Year 1 & 2

Digital Code of Conduct

We are always:

Safe, Curious and Kind!

Safe

- I ask a trusted adult before sharing online.
- I know my password and keep it secret.
- I tell an adult about things that make me uncomfortable.
- I take care of devices.

Curious

- I ask questions about things I see online.
- I check with an adult before using new sites.
- I share what I am learning with my family.

Kind

- I am polite and friendly to others.
- I ask people before taking a photo or video.
- I will tell an adult if someone is unkind online.

Always tell a trusted adult!

Year 3 & 4 Digital Code of Conduct

A WORLD OF **OPPORTUNITY**

~@patana.ac.th

At our school, we build good digital habits by being:

Safe, Curious and Kind!

Safe

- I use strong passwords and keep them secret.
- All of my online accounts are supervised by my parents.
- I think carefully before sharing information/media online.
- I report things online that make me feel uncomfortable.

Curious

- I use the internet safely to find and learn new things.
- I ask questions about who creates online content and why.
- I use AI tools responsibly in order to help me learn.
- I talk to an adult about anything I find confusing.

Kind

- I think about how my words and actions might make others feel online.
- I ask for permission before taking photos or videos of others.
- I do not post unkind comments or images.
- I include everyone and stand up for others.

*You can always seek support
from a trusted adult.*

Year 5 Digital Code of Conduct

A WORLD OF **OPPORTUNITY**

~@patana.ac.th

*As stewards of our school community,
we show responsibility by being:*

Safe, Curious and Kind!

Safe

- I use strong, unique passwords and manage my own accounts.
- All of my online accounts are supervised by my parents.
- I protect the personal information of myself and others.
- I think carefully before sharing information/media online.
- I am vigilant of scams, fake messages, and suspicious links.
- I report unkind or unsafe behaviour.

Curious

- I question online information, asking who made it and why.
- I research using trusted sources and am aware of bias.
- I use AI tools responsibly in order to help me learn.
- I share what I learn and ask for support if I am unsure.

Kind

- I ask for permission before taking photos or videos of others.
- I always use respectful language both online and in real life.
- I help others to make positive digital choices.

*You can always seek support
from a trusted adult.*

- I share what I learn and ask for support if I am unsure.

Kind

- I always use respectful language both online and in real life.
- I ask for permission before taking photos or videos of others.
- I help others to make positive digital choices.

Laptops for Learning

- I register my device with our school and keep all apps updated.
- I only use my device for learning and with permission.
- I follow all school rules for device use, including turning off devices when asked and bringing them to school with a full charge.

*You can always seek support
from a trusted adult.*
