Recorder for Y3 Music Lessons

Dear Parents,

As part of our music curriculum, all children in Y3 will learn the recorder. Please could you arrange to purchase one for your child. Then best model is the Yama YRS-24B (pictured). They will shortly be available in the school shop but there are many different shops selling them on Lazada.

If your child already has a recorder, please can you ensure that it is sent into school - these will be kept in the classroom.

The recorder helps children to learn about pitch, following music notation, playing and creating melodies as well as playing in a music group. You can find resources on the music blog [here](#).

If you have any questions regarding this, please feel free to contact me.

Best regards,

Rachel Stead
Leader of Primary Music
