Dear Primary Parents,

Hand Foot and Mouth Disease - Update

Further to communications yesterday, I am writing to inform you that classes **FS1S** and **FS1G** will remain closed for the rest of this week to allow for thorough cleaning and to reduce the risk of further spread. This responses follows advice from the Public Health Centre and in response to additional cases of Hand, Foot and Mouth Disease (HFMD).

Children in all other classes and Year Groups can come to school as normal, as long as they are well.

Thank you for your attention and support at this time.

If you have any medical queries, please contact Khun Joe on kiau@patana.ac.th

Yours sincerely,

Sarah McCormack
Principal, Primary School

To all Primary Parents
