[Click for procedure](#)

All Students: Outdoor activities continue as planned.
**Staff: Monitor students with unusual sensitivity as identified through
medical records.**

Insurance cover

Insurance costs are included within the overall costs of each trip. Whilst the school considers this level of cover reasonable and acceptable, parents should satisfy themselves that this level of cover is adequate for their own personal circumstances.

Residential medical cover relates to any treatment required as the result of an accident, not as the result of an illness.

Link to insurance is in the parent letter.
