Presentation: Primary EAL - Working together to support your child's English language learning
Date: Tuesday 4th November 2025
Time: 08:00 - 09:00
Location: Primary Hall

Dear Parents,

The Primary EAL Team is delighted to invite you to the next session in our Parent Partnership series. As part of the Inclusion Team, we support students from Year 1 to Year 6 in developing the English language skills they need to fully access the curriculum and reach their full potential.

This session is open to all parents, and may be especially helpful for:

- Parents of students currently receiving EAL support
- Parents of children in FS2 who may benefit from additional English language support as they transition into Year 1

During the session, you'll have the opportunity to learn more about:

- Key strategies we use to support your child's English language development at school
- How we assess progress and readiness to exit EAL support
- Ways you might best support your child's language learning at home

The team will be available after the presentation for individual conversations.

We look forward to warmly welcoming you on Tuesday. Please [click here](#) or scan the QR code to confirm your attendance or to submit a question in advance.

Kind regards,

Mark Stride
Leader of Primary EAL
