4th March 2026

Dear Parents,

During Term 3, we introduce age-appropriate RSE units as part of our Well-being curriculum in Years 1 to 6. These units help children to develop an understanding of their own physical, social and emotional development, and encompass key values such as respect, kindness and consent.

If you would like to hear more about how and what we teach your child, please join us at a parent presentation. Please sign up via the links below.

All presentations start at 8 a.m. in the Primary Hall.

All presentations will be recorded and made available to Patana parents.
