## **Year 5 Bring, Buy and Bake Sale**

Dear Parents,

On Thursday 19<sup>th</sup> March, the students in Year 5 will be holding a Bring, Buy and Bake Sale to raise money for a flood relief charity in Thailand. The funds will support communities affected by last year's floods in the south. This charity's work connects closely with next term's unit of learning on water, and the children are highly motivated to help those in need.

### **Donations of pre-loved items**

We have asked the children to look at home for any toys, games, or books they no longer use. These can be brought to school anytime between now and Thursday 19<sup>th</sup> March. We will store the items at school until the sale, where the children will sell them on their stalls.

### **Baked goods**

Children are also invited to bring individually sized cakes or cookies to sell on the day. Please ensure all items are **nut-free**. We kindly ask that students do not bring candy, drinks, or any machines such as popcorn makers or candy floss machines.

Last year, some students prepared a simple list of ingredients to display next to their baked goods. This was especially helpful for younger children with allergies or intolerances. If your child is able to include an ingredient list again this year, it would be greatly appreciated.

### **Spending money**

To help support their classmates' stalls, children are welcome to bring some money to spend. We recommend an amount between 50 and 200 baht. Coins and 20 baht notes are particularly helpful.

We are confident that the children will make the event a great success and enjoy working together for an important cause.

If you have any questions, please contact your child's class teacher or me at [clmy@patana.ac.th](mailto:clmy@patana.ac.th)

Thank you for your continued support.

Claire Myers  
Year Group Leader, Curriculum
