

Thai Parent Group Report For AGM Year 2015-2016

Induction Day

As part of PTG, ThPG joined the Induction Day and introduced new Thai Representative this year to Thai parent community and also helped PTG to provide information or answer questions to all new parents.

We managed to have volunteers to sell Tiger Shop Merchandises.

Introducing ThPG team to new Thai Parents after the presentation of Thai program

The second week of Term 1, Thai Program arranged the coffee morning and first meeting among Thai Parents' group to show how important mother language is. After that ThPG had opportunity to introduce ThPG team to new Thai parents and also give the information about how PTG, school and ThPG work together and how as Thai parents can support PTG and school. The presentation also included all key activities: International Day, Fun Day, ...etc, during school year.

Fun Run

ThPG agreed to increase the amount donating for Fun Run activity from 5,000 Baht to 7,000 Baht this year and shall remain the same for the next year.

International Day

ThPG has been involved in school International Day for many years. Again this year, ThPG received very kind supports from Bangkok Patana Thai parents and Thai companies to help ThPG organize amazing performance and activities at International Day under the name "Thailand" as following:

- Parade – Opening with Thai original dance and Thailand's national epic, Ramakien
- On Stage – Thai traditional dances divided into 3 edges including Ramakien
- Food Hall – Variety of Thai dishes at Food stall under Floating Market theme
- Exhibition – Ramakien theme and handcrafting activities and give away gifts

ThPG also arranged booth to sell Thai Costumes for International day to both Thai and foreign students. This year, there were lots of students and parents interested in purchasing the costumes.

Loy Krathong festival

For the convenience of parents, ThPG also arranged a Thai costume sale booth to sell Thai costumes for students to use on Loy Krathong as well.

Fun Day

ThPG worked closely with PTG in many area. This year we were responsible for the 3 following areas:

1. The sponsorship for rides;
2. The sponsorships for raffle prizes; and
3. The food stall and shopping street

Luckily this year we were reported to carry over thousand raffle prizes and the number of tickets sold this year were a significant increase. There were some new food stalls and shopping streets this year. As for the raffle prizes, we still have some unclaimed prizes which we agreed to donate to school's staffs for lucky draw on the Staff Appreciation day.

Staff Appreciation Day

ThPG worked closely with PTG to organize Staff Appreciation Day. ThPG was again able to get support from Thai parents to provide lunch and gifts for 700 staffs and teachers.

Thank you staffs

As to show the appreciation for school ground staffs that support all ThPG and PTG works through out the year. ThPG usually give 300Baht to each staffs (about 90,000Baht in total from donation ThPG received from Thai parents) at the end of academic year.

Again, ThPG would like to thank all sponsors, parents, PTG members, volunteers and school managements and staffs for kind supports and hard work for our community through out the whole year and we very much appreciate it and are very glad to be part of the team.
